

## **High Speed Internet At Your Doorstep!**

Aurelius Township residents now have an alternative for high speed internet access. A local company, Central Solutions, is offering high speed wireless internet access for most areas in Aurelius Township. Wireless internet is a new technology that allows people to connect to the internet using radio waves instead of phone or cable lines.

If you are interested in learning more about this service please contact Central Solutions at their main office in downtown Mason, 119 E Maple Street, on the phone at 866 331-2637 / 517 676-4787 or on the web at <http://www.centralsolutionsinc.org/wirelesserviceplans>
